

# It's Winter Again!

The plants are dying,  
The butterflies no longer flying,  
It's Winter again!

Clothes are warm,  
They can't be torn,  
It's Winter again!

Strong stays the bear,  
And so is the deer,  
It's Winter again!

Snow falls,  
For cold there are calls,  
It's Winter again!

Blankets are thrown,  
To warm up the bone,  
It's Winter Again!
