HEAVEN LEARNING  
ACADEMY

MOTIVATION DEDICATION SUCCESS

## Dear Parents and Guardians,

June has been a productive month at Heaven Learning Academy. We have had a variety of engaging activities and events that have enriched our students' learning experiences. Our focus on inclusivity was highlighted during Disability Awareness Week, where students learned the importance of supporting individuals with disabilities. Additionally, our Self-Care Assembly emphasized the significance of mental health and practical self-care techniques.

As we approach the summer holidays, I extend my best wishes for a restful break for all our students. Your continued support is greatly appreciated.

Warm regards,

**Mrs N. Naveed**

# Parent & Student Insights

In today's rapidly evolving world, cultivating effective study habits is essential for academic success. Here are some practical steps to support your child:

## Ocean Conservation

Use educational videos and virtual tours of marine sanctuaries to teach your child about the importance of ocean ecosystems. Apps that track marine wildlife can also provide engaging and informative content

## Create a Dedicated Study Space:

Ensure your child has a quiet, organized area free from distractions.

## Establish a Routine:

Set a consistent study schedule that aligns with your child's natural rhythm and daily activities

## Utilize Effective Techniques:

Encourage the use of summarization, mind mapping, and flashcards to enhance learning.

## Encourage Regular Breaks:

Short, frequent breaks can improve focus and prevent burnout.

## Refugee Week Workshops and Activities

This month, we are dedicating time to Refugee Week with a series of workshops and activities designed to raise awareness and foster empathy. Students will engage in interactive sessions that highlight the experiences of refugees, promoting understanding and compassion. These activities aim to educate our students on global issues and inspire them to contribute positively to the community.
